Croissant Taiyaki

Boong-Uh Bbang

A fish-shaped bread traditionally served with on in a sweet batter. Mumu's take on taiyaki is a filled croissant that is shaped like a fish! Flavors rotate weekly between Red Bean, Nutella, Cream Cheese, Apple Mango, or Custard.

All of our taiyakis come with Japanese rock sugar on one side, which adds to the extra crunch of the delicacy and a burst of sweetness! We will be serving our top 4 fillings which include red bean, custard, nutella, and apple-mango.
